## 70% 5+A\*C grades including English and Maths Celebrating our best ever A level results

Congratulations to all our students for an incredible set of results. We send our best wishes to our Year 13 students - many are about to start University. The vast majority of Year 11 students have returned to our Sixth Form and we look forward to working with them.

I would like to thank all the community for the good wishes and congratulation cards I have received on our outstanding results. The credit must go to my staff. I would also like to thank parents and carers for all their support over many years. We now start the new academic year with confidence and determination to continue to improve even further.

## **Paralympics Update**

Thank you very much to everyone who applied for the tickets; I have had over 30 great applications. Many congratulations to the following 5 students:

Lizzie Nobbs (Year 10)  
Emily Hurdley (Year 10)  
Lauren Underwood (Year 8)  
Ellie Hutson (Year 8)  
Sofia Fahel (Year 8)

All of their entries showed how determined, ambitious, hardworking, kind, helpful and motivated these students are and how they will represent the best Gosford Hill has to offer. They will accompany me to the Paralympics games and we look forward to seeing these amazing athletes in action. Go Team GB!
