

## Geography KS3

### Year 7

Term 1 - Fantastic Places – a study of some amazing geographical features around the world

Term 2 - Risky world – a study of earthquakes and hurricanes

Term 3 - China and population – what is life like in the most populous country in the world? Includes the competition “This is China”

Term 4 - Paradise Lost – a study about tourism in Thailand

Term 5 - Adventure landscapes – caves

Term 6 – Multicultural Britain – a study about migration

### Year 8

Term 1 – Africa – a study of various features of this exciting continent. Includes the Africa competition.

Term 2 - You are what you eat – Fair Trade and food and farming

Term 3 Geography of conflict – how does geography cause conflict

Term 4 Are you flood ready? – the causes and consequences of flooding

Term 5 Changing climates

Term 6 - Mapping festivals - use map skills to plan an environmentally friendly festival

The order in which these topics are taught may vary from year to year, but are accurate for 2015-2016

## Assessment in Geography

Students will undertake formalised assessments across the year in both years 7 and 8. These are done at the end of every unit. By the end of the year, all key skills have been assessed at least once.
