Dear Parent/Carer

Thank you very much indeed for supporting the transfer events.

I am writing to all parents/carers of Year 7 students in September in order to respond to some questions regarding PE kit at transfer evening.

The new kit is being introduced as a result of problems with the supply of the old rugby shirt and suitability of the rugby shirt for girls. The kit is smart, performance based and more suitable for all students. Students, staff and parents were involved in choosing between four suppliers.

The new PE kit will be supplied by Stevensons in Summertown. This should make it easier for parents to purchase kit as it is more accessible.

I would like to take this opportunity to clarify the kit that is needed from Stevensons and the kit that can be purchased from other shops.
