Gosford Hill School Pupil Premium Charter September 2016

In July 2015 we carried out a whole school survey to map out the experiences of all our students. These included sporting, artistic, cultural and school experiences. After detailed analysis we agreed we would create a charter for our most disadvantaged students. This charter has been reviewed in October 2016.

	We will:	Cost 2016/17
1	Ensure that subject staff and tutors know the Pupil Premium students in their groups and will plan for progress using data and knowledge as well as understanding of individual needs.	
2	Ensure that Pupil Premium students attend work experience and receive careers advice based upon future aspirations.	
3	Ensure that Pupil Premium students have the opportunity to participate in extra-curricular activities and involvement in house events.	
4	Consider a subsidised summer school place to Pupil Premium students where there has been a request. In exceptional circumstances, the school will fund the place fully.	£2000
5	Where there has been a request, partial funding of blazer and tie will be considered. For new year 7 students, PE kit may also be considered.	£4000
6	Ensure that Pupil Premium students have the resources they need to access the curriculum – funded through faculty requests	£3000
7	Where needed, provide free revision guides in preparation for public examinations.	£2000
8	Provide a calculator and basic stationery where needed.	£1000
9	Consider requests for support for school trips. A decision would be made regarding the level of subsidy.	£6500

This charter will be reviewed and updated termly.
