1. Purpose:

Gosford Hill School believes that all our students should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) irrespective of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some students taking full advantage of the opportunities.

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The review date for this policy is recorded at the end of the document.

2. Aim:

The policy identifies activities for which:

- charges will not be made,
- charges will be made,
- charges may be waived, and
- optional extras – which may be charged.

3. Procedures and Practice

The Law states:

If the activity cannot be funded without voluntary contributions the parents will be notified of this from the outset.

No child will be excluded from an activity because parents are unable to pay.

If insufficient contributions are raised, the trip or activity may have to be cancelled.

If a parent is unwilling or unable to pay their child will be given an equal chance to go on the visit.

Voluntary contributions:

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to students. All requests for voluntary contributions will emphasise their voluntary nature and the fact that students of parents who do not make such contributions will be treated no differently from those who have.

No charges will be made for:

1. Education provided during school hours (including the supply of necessary materials, books, instruments or other equipment);
2. Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or part of the school's basic curriculum for religious education;
3. Tuition for students learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school;
4. Entry for a prescribed public examination, if the student has been prepared for it at the school*;
5. Examination re-sit(s)* if the student is being prepared for the re-sit(s) at the school; i.e. it is part of a time-tabled course.
6. Education provided on any trip that takes place during school hours;
7. Education provided on any trip that takes place outside school hours
 - a. if it is part of the National Curriculum, or
 - b. part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or
 - c. part of the school's basic curriculum for religious education;
8. Supply teachers to cover for those teachers who are absent from school accompanying students on a residential trip;
9. Transport provided in connection with an educational trip.

* If a student fails, without good reason, to meet any examination requirement for a syllabus a charge will be made.

Activities for which charges may be made:

a) Activities outside school hours

Charges may be made for non-residential activities (other than those listed above) which take place outside school hours but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours).

b) Residential activities

For residential trips deemed to take place during school time no charges may be made for any part of the trip other than for the board and lodging costs of that trip. However voluntary contributions can be requested. Students whose parents are in receipt of certain benefits (see remissions policy below) may not be charged for board and lodging costs in those circumstances.

For residential trips deemed to take place outside school time charges may be made (other than for those activities listed above).

When any trip is arranged parents will be notified of the policy for allocating places

Is a residential trip in or out of school time?

If the number of school sessions on a residential trip is equal to or greater than 50% of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A “half day” means any period of 12 hours ending with noon or midnight on any day.

It is the policy of Gosford Hill School that charges will be made as indicated below. Parental agreement will be obtained before a charge is made.

Activities which can be charged for (with the exception of board and lodging for residential trips) are regarded as 'optional extras'. Charges will not exceed the actual cost (per student) of provision.

Remissions:

In order to remove financial barriers from disadvantaged students, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. This remissions policy sets out the circumstances in which charges will be waived.

Families qualifying for remission or help with charges:

If remission or help is available in relation to a particular charge it is indicated in the right hand column of the table above. Criteria for qualification for remission are given below.

Category A

If a parent is unwilling or unable to pay their child will be given an equal chance to go on the visit. Parents in receipt of

- Income Support
- Income-based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- State Pension Credit
- Employment and Support Allowance (IR)
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by the Inland Revenue).

Additional considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year so that parents can plan ahead
- We have established a system for parents to pay in instalments
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip
- We acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against students from families on lower incomes and we will avoid that method of selection, where possible.

4. Roles and Responsibilities:

It is the responsibility of the Business manager to implement this policy.

5. Monitoring and Review:

This procedure will be reviewed on an annual basis by the Business Manager.
