7th November 2018

Dear Parents and Carers,

## PARENT WORKSHOPS: 14th NOVEMBER 2018

As you know, this year we are running a series of Parent Workshops to help keep parents informed about what is happening at school and to share ways in which you can support your children's' learning and wellbeing in school.

The second workshop takes place next Wednesday, starting at 6pm and finishing by 7pm. The focus for this Parent Workshop is our new 'Student Development Time'. Student Development Time (SDT) has replaced the morning and afternoon registrations and means students now have a 30 minute Student Development Time session in the morning with their form tutor.

A major focus within Student Development Time has been on 'Learning to Learn', where students have been finding out what they can do to support their own learning, both in school and at home. It would help students greatly if parents supported them in these strategies, which is why we have chosen it as the focus for this workshop.

There will be one workshop for all parents, so if you have children in different year groups you will be able to attend just the one workshop. This workshop is less suitable for parents of Sixth Form students, however, there will still be information which will help you support your children.

We look forward to welcoming you on the 14th November.

Kind regards,

John O'Regan  
Assistant Headteacher

The Midcounties Co-operative
