### Welcome to the Parent Bulletin

**ALL**

Welcome to the first edition of our new Parent Bulletin. The purpose of this weekly bulletin is to share key dates on upcoming events as well as notices and other factual information. It does not replace the school newsletter, which is published termly. Above you will find a list of key dates for your diary for next week and the following – I hope that you find it a useful source of information.

### Site update

**ALL**

An electric cabling issue has led to several classrooms and a corridor being left without power.

All the classes affected have been relocated, and the corridor shut at lunchtimes.

I am writing to reassure parents and carers that electrical engineers have been working with the school to locate the problem and find a solution.
